Memo

NY 100-119153

"I attended the meeting, as requested, held at the Yugoslav-American Hall, 405 West 41st Street, NYC. The meeting was called "New York Conference to defend the Rights of Foreign Born Americans. It was held under the auspices of the New York Committee for Protection of Foreign Born.

"The Conference was called with registration from 9 AM, Saturday, March 19th until 10AM. The morning session of the Conference was to start at 10 AM and last until 1 PM at which time we would then have lunch and the afternoon session would start at 2 PM and last until 5:30 PM.

"From 5:30 until 6:30 when the Banquet would start, those who would want to stay for the Banquet would be entertained by a tape recording of the Edward R. Morrow TV show which had Rep. Walters and various other persons speaking for and against the Walters-McCarran law.

"I would like to pass on this 5:30 to 6:30 session to say that Alec Jones did not bring the right tape with him and so the record of the show was not heard. He said that he had the movie recording instead of the tape recording.

[REDACTED]

[REDACTED]

The meeting was being held not in the ground floor hall as is usual but rather in a meeting hall two flights up in the building. This hall is smaller than the ground floor hall. Little by little the delegates arrived and at 11:10 AM the meeting was called to order by Alec Jones. This session lasted until 1:30 PM.

Memo

NY 100-119153

"Alec Jones introduced Prof. Ephraim Cross as the Chairman for the session. Cross then welcomed the delegates and said that this conference was being held to outline a program for presentation to the National Legislative Conference in Washington on March 27th. Cross is not an effective speaker and appears to be quite childish in his manner of trying to put something across. It may be that he thinks that the delegates can only think with a child mind and his presentation to the delegates was to make a little fun with words that appear in the newspapers and public sayings of investigating committees such as SUEVERSIVE and BRAIN WASHING. He switched from one train of thought into another and then back again until he finally told of a story his father used to tell him when he was a boy. He said 'This story can be called subversive today but it was not subversive in those days'. A man was having trouble with his brain and so he decided to go to a doctor. The doctor said that the man should leave his brain and the doctor would clean it for him. (Cross then went on to say that he didn't want to say the doctor was going to wash the brain to get it clean, perhaps the doctor was just going to dust it off or work on it in some way, he didn't want to say brainwash because a report from the Times might be present and he wouldn't want it used against him.)

"But any way, Cross went on, the doctor was very much surprised when after three days the man did not come back for his brain. The doctor received a letter from the man which said 'Dear Doc. I am not coming back for my brain, I don't want it, you keep it, I don't need my brain any more, I have a job where I don't have to use my brain, I am working for the government'. A big laugh was had by all 183 delegates. Perhaps a few didn't laugh so hard because they were working for the government.

"Prof. Cross then introduced the guest speaker Mike Wessel, the spelling may be quite wrong but he is editor

Memo
NY 100-119153

"of a Finnish newspaper in Superior, Wisconsin and spoke on the wrongs of a law that would be a death sentence to a man like Knut Heikkinen who is in prison serving two consecutive terms of 5 years for failure to deport himself. He spoke of the years that Knut had devoted to the aiding of better working conditions for the people and the government had used this as an excuse to deport him.

"The next speaker was Harriet Barron who told the delegates that New York was the largest group of deportees and denaturalized cases it should have the largest delegation to the National Conference being held in Washington on March 27th. Those who would attend the conference should send their reservations into Alec Jones. The cost of train fare would be \$12.05 and those who would stay over for March 28th the return ticket would be good as they would be good for 8 days after the first date of going. All delegates from New York would go to Washington on the same train otherwise they would have to pay a higher fare. That registration would be from 12 to 1 PM and that the sessions would start at 1 PM and last until all work had been attended to. The evening would be devoted to briefing as to what will take place on March 28th when we would visit our Congressmen, Dept. of Justice etc...

"Alec Jones was the next speaker and read his report of what the New York had done in the past year and what it will do in the coming year.

"Alec had a very long report and went over all of the things that had been said before. His report will be available for all of the delegates as will be other reports from the morning and afternoon session. They were all tape recorded by Alec because of the amount of time it requires to re-write penciled reports and various changes that may have been made in the reports from time to time before actually reading them to the attending delegates

Memo

NY 100-119153

Memo

NY 100-119153

"The afternoon session started at 2:30 and Captain Hugh Mulzac was to be chairman of this session. However, he was late in arriving and his place was taken by Frank Ilchuk. On the platform with him was Alec Jones. There was a fellow sitting directly behind Alec and he had the job of being a messenger for whatever Alec was writing, and taking it out of the hall and then returning to await another sheet. This continued for most of the afternoon and it occurred to me Alec was writing motions to be put to the delegation, that they were being typewritten so that various speakers would be permitted to introduce one resolution each.

"The afternoon session was to be devoted to ways and means of bettering their work for the repeal of the Walter-McCarran Law. Frank Ilchuk then placed a nomination; the name of Margaret Torok to be chairman of the Nomination Committee; Anita Appel to be chairman of the Credential Committee and Irving Taffler to be chairman of the Resolutions Committee.

[REDACTED] b2b

"The chairman of the Hungarian Committee, Ernest Roth, then gave a report of what his committee is planning to do, and stated that the Hungarian Committee has always attended all of the meetings and has contributed funds when called upon to do so. They have a National organization of Hungarians with headquarters in the Bronx, and through the National organization they are informing all the Hungarian groups in the various cities the facts of supervisory parole and frame-ups under the Walter-McCarran Law. There was also a speech by a woman (I did not get her name) who is in the forefront of the Kwaks fight against deportation proceedings, and advised that the Kwaks are very cultured and musically inclined and that they are facing deportation to South Korea and into the hands of Syngman Rhee, and where

Memo

NY 100-119153

"they will certainly be murdered. The Kwak Committee has held various recitals to raise funds and have been quite successful in all of their undertakings.

"Anita Apell, who is with the Danny Boano Committee, read a report of the Credentials Committee to the effect that there were 183, all told, in attendance; that 90 were from National groups, 3 were from newspapers, etc.. There were various resolutions introduced, including the repeal of the Walter-McCarran Law, full support for the National Legislative Conference of the A.C.P.F.B. to be held in Washington March 27th, a fight against frame-ups, against supervisory parole, deportation of Mexicans and against denaturalization and deportation, and also to defend the A. C. P. F. B. against the Attorney General's efforts to illegalize the organization because of its 22 years of fighting to protect the rights of the foreign born.

"The following names were introduced by the Nominating Committee to be honorary co-chairman: Mrs. Anita Block and Hugo Gollert. Alec Jones was re-elected Executive Secretary. There was no election of Treasurer for the U. Y. C. P. F. B. because the less number responsible officers in the organization, the less liable they would be to frame-ups and continued questioning.

"June Gordon, of the Emma Lazarus, organization, gave her usual strong attack on the Walter-McCarran law and her usual defense of the Jewish population. She stated that 24% of those being deported and denaturalized are of the Jewish faith, whereas the Jewish race only represents less than 1% of the population of the United States.

"Frank Ilchuk then wanted to know how many attending this conference would also attend the National Conference to be held in Washington on March 27. [REDACTED]

memo

NY 100-119153

[redacted] raised their hands, and Frank then stated perhaps he should re-phrase the question, and he then asked how many organizations would be sending delegates to the Conference, and this time there were about ten hands raised. On seeing this, Harriet Barron seemed very displeased, and requested permission to speak to the delegates. She was granted this permission and she stated that it was disappointing to see the response, and that those present should go back to their organizations and report that there was an insufficient delegation going to Washington and they should see that someone is sent, if possible two or three; that New York had the most number of cases and, therefore, New York should have the largest delegation; that Abner Green is now in Los Angeles attending a conference out there and that Professor Smith was at Boston attending a Mid-New England conference, and certainly they would be able to obtain large delegations in those areas, but that New York would have to set the pace.

"Frank Ilchuk then read out a note that had been placed on the chairman's table, which later on turned out to be quite unexpected [redacted] b7D

[redacted] Frank read the note with a bit of sarcasm, as follows: 'I have a speaker who requests time to address the delegation; he states in his note I am a witness for Jesus of Nazareth who has come to show you the way.' and then he asked if the person that wrote the note was present, and then a man, whom I should judge to be in his middle 30's, came from the rear of the hall and up to the speakers platform. The tension in the room was such as I have never witnessed at any one of the previous gatherings. The man, in faltering speech, built up increased tension by hesitating every each word before he spoke. He said he was a witness for Jesus of Nazareth and that before addressing the delegation he would like everyone to join in a prayer with him, and in his prayer he asked that his mouth be given the words to speak the words of Jesus. He then told us that he had seen the light and that he preaches where every he goes.

Memo

NY 100-119153

"that he had been put away in a mental institution by persons who did not believe his word. While this was going on Alec and Ilchuk were whispering to one another. I assumed deciding upon the method of getting rid of the speaker, and a note was written and placed on the speakers stand. However, this fellow flushed when he read the note and then said that he was for the repeal of the Walter-McCarran Law, thanked us, and walked off the platform and left the hall.

"Then there were several resolutions read off, all of which were passed by the delegation and here I might point out that it is the first time that I have ever attended a conference where there was no opposition or added thought to any of the resolutions; they all passed without comment from any of the delegates. The conference was over about 5:30. The entire conference had been tape recorded on a machine owned by Alec and it was explained by Frank Ilchuk, the reason for having it on tape recording was due to the amount of stenographic work involved and that this was the best procedure and that the recording is not for anyone else's use than our own.

"At the end of the conference Alec said that for those who were interested in staying to hear a tape recording of the Edward R. Murrow television broadcast on the Walter-McCarran Law, the speakers of which included representative Walters, co-author of the Walter-McCarran Law, However, this was not heard because Alec stated he had brought the wrong tape recording with him, and that he brought the recording for the movies??.

Memo

NY 100-119153

"after this was over, all of the lights in the hall went out then a spot light went on a fellow that was standing on the rim of the stage, but off to the right of it. He proceeded to give a speech of how beautiful this country is and she treated all people equal and took into her all of the peoples of the world as her own. Then a spot light went on a fellow standing on the opposite end of the stage and he was to be a foreign born. He said 'I built Bolder Dam, I built this and I built that.' Fellow No. 1 said 'Hey don't come up here and interrupt me. Who are you anyway.' Fellow No. 2 said 'Why I told you who I am. I built Bolder Dam, Emp're State, that's who I am.' He said 'You talk of this country taking peoples from other countries and making them a home here, but you don't know what this country does to these same peoples.' Then the two spot lights go out and the inside of the stage lights up and there stands a woman. A man enters and tell her to sit down. 'What is your name' he said. 'My name is so and so' the woman replied. 'what did you do this week, what newspapers or magazines did you read, what are the names of the people you spoke to, where are you working now?' he wanted to know. 'My name is so and so and I will not answer anymore questions without my attorney.' she replied.

"These little skits would go on from time to time. In order to better illustrate what the actor, who was playing the part of the foreigner, was trying to bring out, such as paid informers, the illustration or skit was on the Stanley Novack case, where the Government witness, during the morning session on the witness stand, could not remember what Novack had said at various meetings, but when he again took the stand in the afternoon session, he remembered some additional testimony, and when the Judge asked him if he had spoken to anybody during the recess period, he said 'Yes.' He had spoken to the Government's Attorney. The skit ended there, giving you the impression that the Government's Attorney had coached the witness as to what he was to say.

which was about 10:15 PM, and Karen Morley was telling
those assembled that the play had been written by a professional
and protraied by professionals, and was asking them to
give the actors another round of applause for their fine
performance.

WID WAS FURNISHED RELIABLE INFORMATION IN THE PAST, RECENTLY ADVISED THAT A RECEPTION FOR WILLIAM A. REUBEN WAS HELD AT THE HOME OF MARDEL TERMAN IN CHICAGO ON 4/24/65. THE INFORMANT ADVISED THAT APPROXIMATELY 50 PERSONS ATTENDED THE RECEPTION PRIOR TO REUBEN'S SPEECH, POST CARDS WERE DISTRIBUTED AND A REQUEST WAS MADE TO ADDRESS THESE CARDS TO SENATOR GEORGE OF THE FOREIGN RELATIONS COMMITTEE, REQUESTING THAT A HEARING BE HELD IMMEDIATELY ON THE MORSE - LEHMAN BILL DEMANDING THAT "OUR BOYS" NOT BE SENT TO FIGHT ON MATSU AND QUINCY. ACCORDING TO THE INFORMANT, REUBEN SOLD COPIES OF HIS BOOK "THE ATOM BOMB BOAT" PUBLISHED BY "ACTION BOOKS", NEW YORK, FOR THREE DOLLARS, TWO DOLLARS OF WHICH WENT TO REUBEN FOR PUBLISHING COSTS AND ONE DOLLAR FOR THE NATIONAL COMMITTEE TO SECURE JUSTICE IN THE ROSENBERG CASE. REUBEN, DURING HIS SPEECH, QUOTED FROM HIS BOOK WHICH HE SAID CONTAINED FACTUAL INFORMATION. HE SAID THAT TWO WEEKS AGO HE LANDED BY PLANE AT VANCOUVER, BRITISH COLUMBIA WITH A SUPPLY OF HIS BOOKS AND WAS IMMEDIATELY USHERED TO AN UNIDENTIFIED BUILDING AND TEN MINUTES LATER WAS ^{Put} IN A PLANE BACK TO THE U.S. REUBEN STATED THAT THE CANADIAN AUTHORITIES VIOLATED "THEIR LAWS" AND THAT HE IS (1) THE FIRST AMERICAN REPORTED FROM CANADA WITHOUT CAUSE, (2) THAT THEY DID NOT EXAMINE HIS BOOKS AND HE FEELS THEY CANNOT REFUSE TO ALLOW THE BOOKS TO ENTER CANADA TO BE SOLD. REUBEN SAID THAT HE WANTS TO SUE THE CANADIAN

REUBEN AS BEING RESPONSIBLE FOR SETTING THE WORLD WIDE CONTROVERSIES IN CONNECTION WITH HIS ANALYSIS OF THE ROSENBERG - SOBELS TRIAL AND THE TRIAL OF THE "BREXTON SIX". THE COVER REFLECTED THAT REUBEN HAD WRITTEN A SERIES OF ARTICLES IN THE "NATIONAL GUARDIAN" IN 1948 AND 1951. HE WAS ALSO IDENTIFIED AS THE FORMER PUBLICITY DIRECTOR OF THE AMERICAN CIVIL LIBERTIES UNION. IT IS TO BE NOTED THAT MANDEL TOLMAN REFUSED TO TESTIFY AND INVOKED THE FIFTH AMENDMENT BEFORE A SENATE INTERNAL SECURITY SUB-COMMITTEE IN APRIL, 1955, CONCERNING HIS MEMBERSHIP IN THE C AND INFORMATION CONCERNING THE \$1,000.00 HE HAD FURNISHED THE FIRM OF "CAMERON FRANK", NEW YORK CITY PUBLISHERS OF KATUSOV'S BOOK "FALSE WITNESS". NEW NATIONAL COMMITTEE FORMED
TO SEEK NEW TRIAL FOR MORTON SOBELL

CHICAGO, Oct. 11--A new organization called "The National Rosenberg-Sobell Committee" was formed here today to lead a drive for a new trial for Morton Sobell.

Sobell, who was convicted of "Conspiracy to commit espionage" with Ethel and Julius Rosenberg and was condemned to 30 years in Alcatraz, swears he is innocent.

The committee was formed at the final session of the two-day Rosenberg-Sobell conference held at the Fine Arts Building and attended by 150 delegates from 36 states.

The conference was called by the National Committee to Secure Justice in the Rosenberg Case, the executive board of which will meet shortly to determine whether there is any future role for the committee to play. It was this committee which led the nation-wide campaign to save the lives of the Rosenbergs.

The conference directed the new committee to pursue a policy of seeking the widest possible support for a new trial for Morton Sobell. Efforts will also be initiated to obtain the removal of Sobell from Alcatraz to a place where he will be able to consult more freely with his legal counsel pending outcome of court actions.

The delegates recommended that three major regional areas be established to carry out the Sobell campaign on a national basis. These regions will be in the West, the Mid-West, and the East. Funds to implement the program are to be raised by each of the regions.

Mrs. Emily Allen of New York was elected national executive secretary of the new committee. Mrs. Allen was executive secretary of the New York Rosenberg

Clemency Committee and played a major role in the national clemency campaign.

The national office of the new committee will be located for the time being, in New York at 1050 Sixth Ave., the location of the old Rosenberg organization.

The text of the informant's statement is as follows:

"On March 24, 1955 a meeting was held at the home of JOYF SAMUELS, 2454 Callow Avenue, under the sponsorship of the Baltimore Sobell Committee. The meeting featured Rev. FRANK WILLIAR who was called a Baltimore minister, as the principal speaker. The meeting opened up about 9:15 or 9:30 PM. PAULINE BOYER acted as chairman for the meeting and introduced WILLIAR as DR. WILLIAR. He proceeded to comment on the fine thoughts and suggestions of DR. URTH's speech at the testimonial dinner, that was recently held by the Chicago Sobell Committee in Chicago. He indicated that minority groups such as are now experiencing persecution are the real peace groups in the country. He wasn't a very good speaker and did not seem to impress his audience.

"The: HELEN SOBELL, wife of MORTON SOBELL was introduced to the audience, and she spoke for about thirty minutes about the innocence of her husband who was in Alcatraz for helping the ROSENBERGS.

Mrs. SOBELL then began showing a copy of some paper which she said was featuring headlines of foreign papers which were supporting SOBELL's plea for release from Alcatraz, to another prison.

"Mrs. SOBELL stated that her husband's only contact with the ROSENBERGS was when he delivered papers to the ROSENBERGS. She did not give any idea of what kind of papers he gave the ROSENBERGS. She said so many people are trying to discourage her from fighting for a transfer of her husband from the Alcatraz prison to a place closer to the East Coast. But she said she was encouraged by groups like the one she was presently attending, and hoped others would follow.

"Someone started a donation pledge drive, after she finished speaking. The BLACK boys donated \$25.00 between them, and MARSHALL JONES pledged \$10.00 and paid \$5.00 on account. The collection of smaller amounts amounted to about \$125.00 [REDACTED] Coffee and doughnuts were served. [REDACTED]

This afternoon Mr. George Williams, former Special Agent, who is now an investigator for the HCUA, advised that Congressman Walters is planning on holding hearings concerning the NATIONAL COMMITTEE TO SECURE JUSTICE IN THE ROSENBERG CASE. The purpose of these hearings will be to reflect the Communist domination of the COMMITTEE and to show how the COMMITTEE has used well-meaning people to further its cause.

Mr. Williams furnished the writer with the attached list of names, and he stated that the individuals on this list were formerly on the payroll of the NATIONAL COMMITTEE TO SECURE JUSTICE IN THE ROSENBERG CASE. He stated he had no further information about them at this time. He stated that he plans on interviewing some of the individuals listed, and he advised that he would appreciate any assistance the Bureau might give him in furnishing current addresses of these individuals. He said this information would be strictly confidential, and in the event there were any individuals on the attached list we would desire him not to interview, he would be glad not to interview them, and did not desire to know any reasons.

I advised Mr. Williams that I did not know whether we could be of assistance or not, and he stated that he would not be back in New York until the week of May 9, 1955, at which time he would contact us to see if we could be of assistance to him.

With regard to this matter, on February 18, 1955, Mr. Williams contacted the writer concerning the MATUSOW matter, and at that time requested any assistance we might provide him in furnishing the addresses of certain individuals he desired to subpoena for testimony before the HCUA with regard to MATUSOW. On February 18 I contacted Inspector C. D. DeLoach, and he authorized us to furnish Williams with the current addresses of the individuals Williams was then interested in, where we knew such addresses.

It is recommended that the Bureau be contacted in this matter to determine if we should furnish Williams the addresses of the individuals on the attached list, where such addresses are known.

BACKGROUND

On March 29, 1951, JULIUS and ETHEL ROSENBERG were convicted in the United States District Court for the Southern District of New York of conspiracy to commit espionage for the Soviet Union. On June 19, 1953, they were both executed at Sing Sing Prison, Ossining, New York. During the ROSENBERGS' trial, MORTON SOBELL was convicted of conspiracy to commit espionage and sentenced to thirty years in prison. He is now confined to Alcatraz prison.

[REDACTED] advised that the NATIONAL COMMITTEE TO SECURE JUSTICE IN THE ROSENBERG CASE (NCSJRC) was formed on January 2, 1952. This Committee was headed by JOSEPH BRAININ, who is described as a journalist and author. DAVID ALMAN was the Executive Secretary of the Committee, and the purpose of the Committee was to raise money for the defense of the ROSENBERGS and to arouse public sympathy for them. b7D

[REDACTED] who has furnished reliable information in the past, advised Special Agents LOUIS S. LEAR and GERHARD P. HUNDT on December 9, 1952, that the New Jersey Section of the NCSJRC is a Communist inspired and dominated organization.

NCSJRC ACTIVITY

On November 15, 1954, [REDACTED] who is in a position to furnish reliable information, furnished by mail to the Newark Office a letter bearing the letterhead of the NEW JERSEY ROSENBERG-SOBELL COMMITTEE, 572 Prospect Street, Maplewood, New Jersey. The letter was signed by LEONARD TUSHNET, M.D., for the New Jersey Committee. The letter in substance solicited funds for the NEW JERSEY ROSENBERG-SOBELL COMMITTEE and bore a return address of 572 Prospect Street, Maplewood, New Jersey.

[REDACTED] and [REDACTED] who have furnished reliable information in the past, advised Special Agents JOHN R. LYONS and LOUIS E. PAGE on October 11, 1950, that Dr. LEONARD TUSHNET had been a member of the COMMUNIST PARTY on and off for approximately ten years.

At approximately 10:30 A.M., 5/17/55, I telephonically contacted Inspector Cartha De Loach, Bureau, concerning his conversation with ASAC Donald E. Moore, 4/28/55. At that time Mr. De Loach was advised GEORGE WILLIAMS, former Agent, and now investigator for HCUA, had furnished a list of names of individuals believed to be on the payroll of the captioned organization. Mr. Williams desired the current addresses of these individuals. A check was made of the captioned file and it has been determined that it is not possible to definitely identify the individuals on the attached list with addresses. It has been further determined that there are no extended list of employees of the Committee. I suggested that, if Mr. Williams ever returns to obtain the information he requested that he be advised that we cannot give him any definite information in this regard and suggest that he might wish to contact the Internal Revenue Bureau which has conducted an audit of the books and records of this organization. *He Loach said we could give what addresses we had with the understanding that we were not certain they applied to the individuals in whom he was interested.*

Mr. De Loach concurred.

Consideration might be given to advising

From available information it appears
that Emily Alman and Helen Sobell are

NEW NATIONAL APPEAL ON THE REMOVAL OF SOBELL FROM ALCATRAZ IS BEING LAUNCHED. THIS APPEAL IS IN FORM OF A PETITION ADDRESSED TO DIRECTOR OF PRISONS, JUSTICE DEPARTMENT, TO WHICH THE COMMITTEE HOPES TO SECURE FIFTY THOUSAND SIGNATURES. THE APPEAL STATES QUOTE IN OUR AMERICAN JUDICIAL SYSTEM THE RIGHT OF ALL CONVICTED PERSONS TO APPEAL THEIR VERDICTS AND SENTENCES IS INHERENT IN THE ELABORATE SYSTEM OF COURTS OF REVIEW. ONE SUCH PRISONER, MORTON SOBELL, SEEKS REDRESS IN THE COURTS AGAINST HIS CONVICTION AND THIRTY YEAR SENTENCE FOR CONSPIRING TO COMMIT ESPIONAGE, A CRIME OF WHICH HE ASSERTS HIS INNOCENCE. THE IMPRISONMENT OF MORTON SOBELL AT ALCATRAZ, CREATED BY CONGRESS AS THE MOST RESTRICTIVE PRISON IN THE LAND FOR THE INCARCERATION OF MEN UNMANAGEABLE AT OTHER INSTITUTIONS, DENIES HIM - WITHOUT CAUSE - THE OPPORTUNITY TO MAKE FAIR AND TIMELY USE OF HIS RIGHTS

UNDER THE LAW. THREE THOUSAND MILES SEPARATE MORTON SOBELL FROM THE COURTS OF JURISDICTION IN HIS CASE, AND FROM HIS COUNSEL, MAKING DIRECT AND TIMELY CONSULTATION ALMOST IMPOSSIBLE. MOROVER, AN ALCATRAZ REGULATION DENYING INMATES ACCESS TO NEWSPAPERS VIRTUALLY PROHIBITS TIMELY DISCUSSION OF INFORMATION APPEARING IN SUCH NEWSPAPERS WHICH MAY BEAR ON VARIOUS WITNESSES AND PROSECUTORS INVOLVED IN HIS TRIAL. VISITS TO MORTON SOBELL BY HIS WIFE AND MOTHER, WHO RESIDE IN THE EAST, ARE MADE ONLY AT ENORMOUS FINANCIAL SACRIFICE. HIS CHILDREN, UNDER ALCATRAZ REGULATIONS, MAY NOT SEE HIM AT ALL. WE BELIEVE THAT SUCH RESTRICTIONS, WHEN NOT WARRANTED BY MISCONDUCT, ENLARGE THE MARGIN FOR JUDICIAL ERROR AT THE EXPENSE OF JUSTICE ITSELF. FOR THESE REASONS, WE, THE UNDERSIGNED, MAKING NO EXPRESSION OF BELIEF IN THE INNOCENCE OR GUILT OF MORTON SOBELL, RESPECTFULLY URGE THAT HE BE TRANSFERRED TO A REGULAR FEDERAL PRISON WHERE HE MAY EXERCISE THOSE RIGHTS OF APPEAL GUARANTEED TO HIM UNDER THE LAW UNQUOTE.

I. ORGANIZATION

A. Background of NCSJ

JULIUS and ETHEL ROSENBERG and MORTON SOBELL were convicted in the U. S. District Court, Southern District of New York, on March 29, 1951, of conspiracy to commit espionage on behalf of the Soviet Union. JULIUS and ETHEL ROSENBERG were sentenced to death and MORTON SOBELL was sentenced to a term of 30 years.

The National Committee to Secure Justice in the Rosenberg Case was formed on January 2, 1952. The claim of this Committee was that the ROSENBERGS were convicted because they were Jews and because of their political beliefs. The aim of this committee was to secure a new trial or clemency for the ROSENBERGS. The ROSENBERGS were executed at Sing Sing Prison, Ossining, N. Y., on June 19, 1953.

The December 5, 1954, edition of the "Penns. Edition The Worker," which is the Sunday edition of the "Daily Worker," an East Coast Communist daily newspaper, on page 15, column one, contained an article which stated that the PCSJ at its meeting on November 22 planned a campaign to demand the transfer of MORTON SOBELL from Alcatraz to some other Federal penitentiary where he would have the right to privileges accorded to other Federal prisoners. The article went on to state that the

PH 100-37667

committee planned during the month of November to secure 500 signatures to petitions which it was circulating, urging Federal Director of Prisons JAMES V. BENNETT, to arrange for SOBELL's transfer.

In early 1955 the PCSJ distributed in the Philadelphia area a newsletter in the SOBELL case issued by the PCSJ. This newsletter requested the recipient to send a contribution to the PCSJ for its share in the nation-wide campaign, which was described as a campaign to secure the transfer of MORTON SOBELL from Alcatraz. The letter also called attention to a national conference to be held on February 12 and 13 in Chicago. As an enclosure with the newsletter the PCSJ circulated a reprint of an item from the "Globe and Mail," Toronto publication, which was issued by the NCSJ. This article was entitled "Another Dreyfus Case?". It purported to present the facts which are being marshalled in SOBELL's favor.

III. LOCAL PROSECUTION OF PCSJ OFFICERS

Background

The PCSJ made arrangements and raised funds to place an advertisement in the "Philadelphia Evening Bulletin" concerning the ROSENBERG case. As the "Bulletin" required the names of officers of the organization to appear in such advertisements, JULIETTE CASEY, at the request of JACK S. ZUCKER, allowed her name to be used as the chairman of the PCSJ. JEAN D. FRANTJIS also appear as secretary of the PCSJ. The cost of this ad was \$720 and it was to appear on January 30, 1953.

(Source: T-15, 1/27, 28, 29/53)

Articles appeared in the February 4, 1953, issue of the "Philadelphia Evening Bulletin" night extra edition, page three, column eight, and in the February 5, 1953, issue of the "Philadelphia Inquirer" final edition, page 19, column three, which reflected the following information: On February 3, 1953, a warrant was issued for the arrest of Mrs. JULIETTE E. CASEY and Mrs. JEAN D. FRANTJIS, chairman and Executive Secretary respectively of the PCSJ, charging them with violations of the Pennsylvania Solicitations Act in that they failed to obtain a permit to solicit funds in connection with their activities on behalf of the ROSENBERGS. One of the charges was a result of an

PH 100-37667

advertisement appearing in "Philadelphia Evening Bulletin" on January 30, 1953, and FRANTJIS was held in \$1,000 bail for the grand jury.

\$1,000 bail for JEAN D. FRANTJIS was posted by the Pennsylvania Civil Rights Congress (CRC).

(Source: F-15, 2/16/53)

JULIETTE E. CASEY pleaded guilty in Magistrate's Court, Philadelphia, on February 20, 1953, to a violation of the Solicitations Act and was fined \$100. This fine was paid by the Pennsylvania CRC.

(Source: F-15, 2/20/53)

The CRC has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

Articles appearing in the June 10, 1953, issue of the "Philadelphia Inquirer" on page 41, column three; the December 17, 1953, edition of the "Philadelphia Inquirer" on page one, column five; the January 3, 1954, issue of the "Penna. Edition The Worker," page 16, column four, and the April 2, 1954, issue of the "Philadelphia Evening Bulletin" on page 33, column three, reflected the following information:

Subsequent to her arrest in February 1953, an indictment was returned against JEAN FRANTJIS in connection with the above charges; however, on February 16, 1953, this indictment was quashed in Common Pleas Court, Philadelphia. On February 24, 1953, FRANTJIS was re-arrested for violation of the same statute. On June 9, 1953, she was arrested a second time on a similar charge. On December 17, 1953, one indictment against FRANTJIS was quashed, and on December 29, 1953, she was fined \$100 in Magistrate's Court, Philadelphia. As of April 2, 1954, FRANTJIS was continuing her attempts to appeal her fine.

Final Outcome

The February 9, 1955, city edition of the "Philadelphia Inquirer," page 11, column one, and the February 9, 1955, four star final edition, "Philadelphia Evening Bulletin," page eight, column four, contained articles reflecting the following information:

On February 8, 1955, Judge MAURICE W. SPORKIN of Common Pleas Court #2, ruled that Mrs. JEAN D. FRANTJIS did not violate the State

PH 100-37667

Solicitations Act in collecting funds for the ROSENBERGS prior to their execution. In his ruling, Judge SPORKIN said that "the Act of May 13, 1925 (Solicitations for Charity Act) does not comprehend or require licensing of solicitation for political, commercial, or other purposes." The appeal from the conviction and sentence in the Magistrate's Court was sustained and the defendant discharged.

Gentlemen:

This is the third time that I am mailing you sub-
versive literature received by me. I have complained
before that this outfit has somehow obtained my name
and address and put me on the mailing list without my
consent.

Again I want to go on record that I have no con-
nection with any part of this movement and should you
ever find my name on their list this will indicate that
I am innocently involved.

Very truly yours,

June, 1955.

Dear Friend:

Now is the time when your help means most. Five years ago my husband, Morton Sobell, was imprisoned with Ethel and Julius Rosenberg. Two years ago the Rosenbergs died. The truth which did not save their lives, is being revealed now in the case of my husband.

The investigations which have already disclosed that six major prosecution witnesses have committed perjury must go forward. These investigations and the legal steps which our attorneys are planning, need funds.

You, who have understanding, must provide the help without which we cannot proceed.

I want you to have the enclosed reproductions of the works of Picasso and Hugo Beller. I believe that these artists have captured the heroism of the Rosenbergs and of my husband, Morton Sobell.

Your response to this letter will determine how quickly my husband will be free. I know that you will do all that you can.

Faithfully yours,

Helen Sobell

(Mrs. Morton Sobell)

1737

An innocent man has been sent to Alcatraz for 30 years!

MORTON SOBELL, scientist and father of two children, is now in Alcatraz serving his 5th year in prison. He was sentenced to 30 years in the Rosenberg trial although the judge admitted he had nothing to do with atomic spying. Morton Sobell maintains his absolute innocence. Newly-discovered evidence shows he is telling the truth. The new evidence proves the chief prosecution witnesses are liars.

TYPICAL WITNESS: Elizabeth Bentley (right), called the "missing link" by the court, is now exposed as a perjurer. Former Congressman Byron Scott, lawyer for one of Bentley's many victims, declared after studying Bentley's record: (New York Post, April 19): "All of her statements that are susceptible to check have been checked against the known facts, and we have found her statements could not have been correct."

TYPICAL LIE: Bentley claimed an air force major secretly tipped her off in advance about General Doolittle's air raid on Tokyo. BUT—Scott uncovered that the "major" she named was a civilian until six months after the raid.

Yet the testimony of this same lying witness helped send the Rosenbergs to their death and Morton Sobell to Alcatraz—even though she had to admit she never met them.

THE MISSING LINK

Can any American be secure so long as people can be executed and imprisoned on the word of such perjurers?

FROM: *Ben* Director, FBI (100-7254)SUBJECT: COMMUNIST FRONT ORGANIZATIONS
PROSECUTIVE SUMMARY REPORTS
INTERNAL SECURITY ACT OF 1950

In connection with the registration of Communist front organizations under the Internal Security Act of 1950, information has been received that the Department intends to file petitions with the Subversive Activities Control Board relative to twenty additional front groups during the forthcoming fiscal year of 1956.

In order that the Bureau's responsibilities in this regard are completely fulfilled, it is desired that the following instructions be strictly adhered to.

With regard to the following organizations, Bureau files reflect that prosecutive summary reports have either been recently submitted or are being submitted at the present time. While it is not necessary that supplemental prosecutive summary reports on these groups be submitted at this time, you are advised that these cases must be afforded close attention and continuous efforts made to obtain as much legally admissible evidence as possible concerning their Communist nature since they will undoubtedly be among the next cases to be presented to the Subversive Activities Control Board.

SAC MEMO

6/14/55

[redacted] advised that the speaker JOHN WELLY devoted most of his time to the contents of his book, "The Judgement of JULIUS and ETHEL ROSEBERG." The informant reported that WELLY maintained that the charges against the ROSEBERGS and MORTON SOBELL were trumped up and not by one person but by a series of persons and events. He indicated that the full story would be set forth in his book which should be out in about two weeks and which is priced at \$6.00. b7D

[redacted] also advised that a collection speech was made by an unknown individual but the amount he received was not ascertained by the informant. Nor was the collection speaker known to the informant. b7D

Two items of literature captioned, "Justice for Unpopular People" and "Atomic Scientist Dr. HAROLD C. UREY asked Justice for MORTON SOBELL," were obtained by the informant at instant meeting and it is noted that both items were prepared by the Committee to Secure Justice for MORTON SOBELL in New York City. Those items are being retained as exhibits in 100-37667. Inasmuch as these items have previously been described, their description is not being repeated in this memo.

Two copies of this memo are being designated for the New York Office inasmuch as the National Committee to Secure Justice for MORTON SOBELL is located in New York City and JOHN WELLY, author, is of interest to the New York Division.

Dear Mr. Hoovers:

On behalf of all the members of this Organization which we established for the betterment of serving relation with our American public in order to eliminate the wrong doing servicemen the Country's ever as you may have observed or know in many cases, I want to congratulate you for the service which you have devoted to our people for the last Thirty one years (31 years) a record that will be always remembered and never can be forgotten.

The enclosed letter to this it was reserved and meant to be sent to you long before the Rosenbergs death but I was awfully busy and did not have enough time, also I must have overlooked it and know very well that your local Agency must have some record of it and I thought not to send it.

What raised the interest of this letter to me why they sent it to me? a little man without influences and has no higher contacts to impress on others, but I did communicate with our Commander in Chief three times and recommend to wash his hands and leave it to the Justice Department as it may create some set back and retarded the party's prestige in 1956 and we will be lost in a total confusion with our friends the Democratic Party.

At last I would like to congratulate you again with a 31 one humble salute on behalf of all members and my myself asking the almighty God to keep you in the best of health for AMERICA.

Yours truly,

Rebuairtel, 6/9/55.

[REDACTED] orally advised SA RICHARD A. MINIHAN on 6/17/55, of the following events which occurred at Carnegie Hall Rally of subject committee 6/16/55.

DAVID ALMAN was chairman and in his opening address, stated that the time is right to free MORTON SOBELL. He called SOBELL'S imprisonment a monstrous "frameup."

ROCKWELL KENT, an artist, spoke of the "fear" present in the US and cited the air raid alert as an example. He stated that triggermen controlled the US and that he had been invited to Finland to open the World Peace Congress, but the State Department has not acted on his passport application.

A skit was then presented entitled "The Innocent." The scene was in Sing Sing Prison with a Department of Justice official talking to ETHEL ROSENBERG and pointing to a telephone asking her to talk to her husband, JULIUS, and telephone the official at his office and confess their guilt. The Department official stated their lives would then be spared. ETHEL ROSENBERG refused.

JOHN WEXLEY, author of the book "The Judgment of Julius and Ethel Rosenberg" publicly autographed a copy for ROCKWELL KENT, who WEXLEY announced as the designer of the cover.

A musical composition was presented by EDITH SEGAL.

Red roses were then placed in front of portraits of JULIUS and ETHEL ROSENBERG. A red rose had been furnished to each person attending the rally and the placing thereof before the portraits was directed by MORRIS SCHAPPEL.

Dr. JANET RUBENSTEIN made a collection speech. The amount collected was not announced.

HELEN SOBELL asked all to stand with her to free MORTON SOBELL. She read a letter to her from MORTON SOBELL and also a letter she had written to the President of the US telling him of the "frameup" and asking him for a pardon. She described the ROSENBERGS as martyrs.

Persons attending were given a copy of a musical score. This contained two poems by EDITH SEGAL, one entitled "Come Place a Red Rose" and one entitled "My Loved One." A musical accompaniment by CHRISTOPH VAN GLOUX was included. Pledges to raise funds for the legal and public campaign for MORTON SOBELL were passed out. All were invited to join in a tribute to the ROSENBERGS on 6/19/55, at 1:30 p.m. at Weldwood Cemetery, Pinelawn, LI, NY. Informant stated approximately 2,000 persons attended. Rally started approximately 8:45 p.m. and terminated approximately 11:00 p.m.

I. THE NATIONAL COMMITTEE TO SECURE JUSTICE
IN THE ROSENBERG CASE IS SUBSTANTIALLY DIRECTED,
DOMINATED AND CONTROLLED BY THE CP, USA

A.(1.) Origin and Development

On January 3, 1952, there was announced the formation of the National Committee to Secure Justice in the ROSENBERG case.

A press release dated December 31, 1951, for release on January 3, 1952, announced that Mr. JOSEPH BRAININ, well known journalist and author, announced that 125 American men and women from all over the United States who represented many occupations and professions had joined with him in forming the National Committee to Secure Justice in the ROSENBERG Case. The release continued that JULIUS and ETHEL ROSENBERG were convicted in April, 1951, on a charge of conspiracy to commit espionage and sentenced to death. "To this day they continue to assert their innocence. They are now in Sing Sing awaiting appeal. The death sentence imposed upon them aroused shocked comment from all over the world."

Witness: [REDACTED] b7d

In June of 1954 witness advised that the CP had been taking an extremely active part in assisting the NCSJRC in organizing meetings, selling tickets to affairs and collecting funds. With respect to the neighborhood meetings the witness noted that the CP actually ran the affair when the location of the meeting was in a strong CP area. In those areas where the CP was not strong, such meetings were run by the American Labor Party or other mass committees. The CP had some connection with the meetings regardless of where they took place.

NY 100-107111

The Communist Party, USA, will be referred to as the CP, USA, and the Communist Party will be referred to as the CP.

All sources described by T-symbols in this report have furnished reliable information in the past unless otherwise stated in appendix II (appendix of Witnesses).

The NCSJRC is substantially directed, dominated, or controlled by the Communist Party, USA, a Communist action organization so designated by the Subversive Activities Control Board on , and is primarily operated for the purpose of giving aid and support to the Communist Party, USA.

The NCSJRC was organized during January 1952, thus coming into being subsequent to September 23, 1950, and has failed to register with the Attorney General as provided in Section 7(b) of the Internal Security Act of 1950.

JOSEPH BRAININ, Regional Chairman, and EMILY ALMAN, Executive Secretary, of the NCSJRC, have failed to register for the organization.

The CP's policy with respect to this Committee was to keep alive the legend of "the martyrdom of the ROSENBERGS."

Those members of the Committee who were not CP members, for the most part, were very close CP sympathizers and the members of the Committee who fell into the category of innocent "dupes" were in a very small minority.

BLOCH had been appointed guardian for the ROSENBERG children and that all monies collected in behalf of the children should be turned over to him to be placed into a trust fund. The principal topic of discussion at this meeting concerned MORTON SOBELL and it was decided that all should exert every effort to obtain a new trial for SOBELL, but that first it would be necessary to procure his transfer from Alcatraz. It was suggested that a new trial for SOBELL could quite possibly prove the innocence of the ROSENBERGS. *u*

The flyer related that the ROSENBERGS were put to death, but MORTON SOBELL could still be freed and returned to his wife and children. The document urged that everyone write to the Attorney General's Office, Washington, D.
